

TRUSTEE PROGRAM

The Trustee Program is our flagship donor program offered to supporters who want to invest in the developmental pathway for Canadian golf.

Trustees are inspiring the next generation of leaders by supporting both young players in grassroots programs and our most talented players who represent Canada on leaderboards around the world.

In addition to making a significant investment in the future of golf, Trustees get inside the ropes access to exclusive events as stakeholders in the future.

TRUSTEE PROGRAM

Now is the time to get more Canadians playing the game we love.

With your support, our goal through the Trustee Program is to raise enough funding to support two additional players each year and to help support important developmental programs to get more Canadians on leaderboards while inspiring the next generation of players.

TRUSTEE FUNDING SUPPORTS:

Grassroots Programs

As Canada's National Junior Golf Development Program, *Future Links driven by Acura* programs guarantee golfers a positive, fun-filled and exciting experience. This program is appropriately segmented into three pillar programs: Facility, In-School and Outreach. In 2018, we witnessed a 22% increase in junior programming, that's over 556,000 kids participating in the *Future Links driven by Acura* programs!

Young Pro Program

Launched in 2014, the Young Pro Program's goal is to put top graduating Canadian amateurs on a performance path that replicates the success of major winners and transitions them to a career in professional golf. It focuses on enhancing coaching and training experiences through the latest in sport science support, and mental training, while providing financial support for golf expenses.

Trustees receive premium 'inside-the-ropes' access to exclusive experiences and events.

Trustees have:

- Flown on the players charter from the British Open to the RBC Canadian Open;
- Joined Brooke Henderson & Friends Pro-Am Clinic;
- Attended Canada Night at the Masters with USGA, R&A, and international sport governing bodies;
- Played with up-and-coming players before they made the pro tours;
- Participated in Pro-Ams with some of the legends in Canadian golf;
- Experienced some of the top courses in Canada, including Cabot Links and Cliffs, Memphrémagog Golf Club, and Öviinbyrd;
- Teed-it-up with the same tee blocks and pin positions as the pros from the RBC Canadian Open and CP Women's Open; and
- Received insider updates from the Olympics and majors

Thank you to Golf Canada Foundation for organizing a fantastic trip to the British Open. The four of us were treated to the highest standard of hospitality from start to finish, and a unique experience flying home with TOUR pros participating in the Canadian Open. On top of all that, we squeezed in a few rounds of links golf! This trip is truly a bucket-list for anyone with a passion for golf.

To assist our amateurs and young pros as they pursue excellence in their sport is very rewarding and so much fun too! I have had an absolute blast golfing in the Trustee events. Golf at Cabot Links and Cabot Cliffs alongside Mackenzie Hughes and Taylor Pendrith is a trip I will never forget. Many years back I felt like I was one of the few women patrons; it is great to see more women supporters now out at these fantastic events.

The Trustee Cup simply put is a magical experience. Great people...great courses... all empowered by a passion to grow the game of golf in Canada and help identify and develop our future stars. Everyone who is a part of this special event is a champion... although some of us actually won the tournament!

Rod Black, TSN and CTV Sportscaster, Trustee

Foundation support for the Team Canada Young Pro Program alone has resulted in more than 30 professional wins!
